*With a starting bid of just \$13,200, this rare Dodge Ram RC SRT-10 truck is for sale*

SILVER SPRING, Md., March 24, 2008 – Bid4Assets, Inc., a leading online auction site for forfeited, surplus and tax-defaulted property from federal, state and local government and private industry, today announced that it will auction a 2006 Dodge Ram RC SRT-10 truck forfeited to the U.S. Marshals Service. The truck is currently in preview on the Bid4Assets Web site at [www.bid4assets.com/usms](http://www.bid4assets.com/usms). Online bidding begins March 26 - 28, 2008.

In February 2004, the Dodge Ram SRT-10 set both the Guinness World Record and Sports Car Club of America's record for the world's fastest production truck with an average speed of 154.587 mph (248.784 km/h).<sup>1</sup> Less than 6,500 Dodge Ram SRT-10s were manufactured.<sup>1</sup> Compared to the 35,000 Ford Lightnings, the Dodge Ram SRT-10 is truly a limited edition truck.<sup>1</sup>

The minimum bid for the truck starts at \$13,200. The U.S. Marshals Service requires that bidders submit a pre-bid deposit of \$2,600 prior to placing a bid. The pre-bid deposit submission is simple and can be completed on the auction listing page on the Bid4Assets Web site. See Web site for details.

Specifications, photos, appraisal details and other information are currently available online at <http://www.bid4assets.com/usms>. "We have been helping the United States Marshals Service reach buyers across the country, generating millions of dollars used to further law enforcement initiatives," said Jenny Lynch, spokeswoman for Bid4Assets. "The Internet allows interested buyers to find all of the information they need on a property to make a purchasing decision online."
